**Re: Reminder of Clients' Data Updates through Static Data Investor (SDI) Module of C-BEST**

Dear Sir/Madam,

Following the implementation of Static Data Investor, and referring to Bapepam and LK's Regulation Number V.D.10, regarding the Know Your Customers Principles, we hereby are requesting Securities Company and Custodian Bank to update and complete its Clients' Data, as well as submitting such data to KSEI. The updated Clients' data should be submitted by using the Static Data Investor (SDI) module of C-BEST in the *Modify Investor* section.

The updated Clients' data should be submitted before December 30, 2014. Nevertheless, in order to avoid any backlog in the data processing by the end of the year, it is advised that such data updates to be performed immediately.

Please also be informed that we do not perform the Sub Securities Account administration with the previous procedures. The clients' data updates will only be conducted by using the SDI Module.

Should you have any further questions, please kindly contact KSEI's Securities Management Unit by e-mail to: [pr@ksei.co.id](mailto:pr@ksei.co.id), or KSEI's Call Center at +6221-515-2855.

Thank you for your kind attention and cooperation.

Sincerely yours,  
**Indonesian Central Securities Depository**
